Observations and Measurements

Field Names List

Parameter	Description	Units
lat_approx	Approximate latitude of sampling near McMurdo Station; Antarctica; south is negative	decimal degrees
lon_approx	Approximate longitude of sampling near McMurdo Station; Antarctica; west is negative	decimal degrees
date	sampling date in format yyyy-mm-dd	unitless
year	sampling year	unitless
month	sampling month	unitless
day	sampling day	unitless
ice_thickness_median	median ice thickness	centimeters
ice_temp_median	median ice temperature	degrees Celsius
air_temp	air temp	degrees Celsius
