4

THE COLLEGE

Zoological Laboratory
38th Street and Woodland Avenue

October 3, 1947.

Dear Victor,

Thank you very much
for your kind letter; the dates you propose
me, i. e. December 4 or 5 would suit
me perfectly. I shall be delighted to
see you again, as well as the other
biologists from Washington University.

With best regards to
Mr. Haulbenner and yourself,

Sincerely yours,

Van

Brochet
