Dear Dr. Steinbach:

According to an arrangement made with the University of Chicago, I should appreciate it if the salary due to me, as visiting professor at Washington University, could be transmitted monthly directly to Mr. Harvey C. Daines, Comptroller, University of Chicago, 5700 Ellis Avenue, Chicago 37, Illinois.

I should appreciate receiving a copy of each letter of transmittal.

Sincerely,

Dear Burr:

I am enclosing herewith a letter, the content of which you may pass on to whatever authority is in charge of payments.

I am also enclosing 50¢, which I owe to Mr. Muchmore. Could you please hand them to him.

Hope that matters with Washington are working out all right. Best wishes.

Sincerely,

Paul Weiss
