Professor J.P. Trinkaus
Department of Biology
Yale University
New Haven, Connecticut 06520
UNITED STATES OF AMERICA

Dear Trink,

I think that it is quite possible that the grant will be forthcoming for Cheryll Tickle. I am enclosing a copy of her research proposals, as she put them to the grant giving committee. I know that it may be difficult for you to make a decision at the present time but it would be very nice if you could indicate to her if a place will be available with you next year.

Yours sincerely,

Adam
