Dear Steve -

I just learned that  
we are rooming together again  
next summer. I guess that  
will be OK. I hope you

approve.

But they have the billing  
wrong. It should be  $\frac{3}{5}$  T  
and  $\frac{2}{5}$  Z. I have called  
the MBL about this.

Hope Do feels better  
(or is it Dough?)

See you this summer

Love Jim
