

Description of Supplementary Files

File Name: Supplementary Data 1

Description: Counts of each bacterial OTU.

File Name: Supplementary Data 2

Description: Counts of each eukaryal OTU.

File Name: Supplementary Data 3

Description: Relative abundances of each bacterial OTU.

File Name: Supplementary Data 4

Description: Relative abundances of each eukaryal OTU.

File Name: Supplementary Data 5

Description: Representative sequences of each bacterial OTU.

File Name: Supplementary Data 6

Description: Representative sequences of each eukaryal OTU.

File Name: Supplementary Data 7

Description: Metadata values for each day.
