140 7th Avenue, South
St. Petersburg, FL 33701

Dear Denny,

Thanks for sending the clipping from the St. Petersburg Times and the New York Times. Thanks, too, for your kind words about our recent TITANIC expedition. As you can imagine, the dust has yet to settle, but when it does, and I have been assured it will, I will be in touch about your kind invitation to visit your suncoast.

Sincerely,

Dr. Robert D. Ballard
Senior Scientist
Deep Submergence Laboratory
