Costa Rica.

This is my other house

5/10/86

Dr Ballard.
Senior Scientist

Dear Sir

I always had a very deep
interest in your work and I admire
people doing this

I only want you to tell, that
if you are ever want to bring up
ships, I can always try to arrange
bring up the money. I have in
Costa Rica some powerful friends.

Thanks for answering me

Maria de Bailleu
