Lat. 42° 12' Surface } --- 32.65.
Long. 69° 06' March 10, 1920

Handwritten notes, likely bleed-through from the reverse side of the page. The text is extremely faint and illegible due to the quality of the scan and the nature of the bleed-through. It appears to be organized into several lines or paragraphs, but the specific words and sentences cannot be discerned.
