Dear Barrett,

Thank you for your letter of October 2, 1985 requesting information about the RMS TITANIC. The September 16 and 23 issues of Time and Newsweek all ran articles on our expedition which found the ill-fated luxury liner. The December issue of the National Geographic Magazine will have an article featuring many photographs of the TITANIC. A good resource book to read is A Night to Remember by Walter Lord; Mr. Lord used hundreds of photos in his account. Finally, you might consider contacting the Titanic Historical Society at P.O. Box 53, Indian Orchard, MA 01151; they could provide you with a great deal of historical information.

Sincerely,

A handwritten signature in dark ink, appearing to read "R.D. Ballard". The signature is fluid and cursive.
