Connie Overturf  
Sutton Public Schools  
P. O. Box 590  
Sutton, NE 68979

Dear Connie,

Thank you for your letter regarding the discovery of TITANIC. I am sorry that I was unable to respond before your report was due; however, between the overwhelming amount of correspondence about our recent find and the usual hectic schedule both at sea and in the Lab, time has been very short.

I have asked our Public Information Office to send you a copy of the Institution's brochure about TITANIC, which should be published within the next few weeks. The brochure contains all of the information and photographs released to date. I hope that you enjoy it.

Thank you again for writing and good luck during the rest of the school year.

Sincerely,

A handwritten signature in dark ink, appearing to read "R.D. Ballard", is written over the typed name.

Dr. Robert D. Ballard  
Senior Scientist  
Deep Submergence Laboratory

Dr. Robert Ballard:

I am an 8th grade student at the Sutton Public Schools in Sutton, NE. I am working on an Independent Study Skills project and my topic is the Discovery of the Titanic. Do you have any information that I could have to use on my project? I thank you for your time. If you can send me some information send it to:
